(2) In the case of non-commissioned officers in the Royal Engineers [a] and Smiths in the Royal Garrison Artillery [a] for whom a certificate is necessary in order that they may be placed in charge of boilers used for military purposes, the following procedure will be observed:

[b] Application shall be made [b] to the Collector of Bombay or Karachi [a] or to the First Assistant Resident at Aden, as the case may be [a] for a certificate for the noncommissioned officer [a] or Smith [a] supported by the necessary British certificate of competency of the "Superior" or "Very superior" class. The application shall be at once circulated to at least four of the members of the Board of Examiners and a third class certificate in Form D, Appendix B, shall be signed by them and forwarded post free to the officer making the application.

No process of identification is necessary for the granting of this certificate which will entitle the non-commissioned officers [a] and smiths [a] receiving it to be placed in charge of military boilers only.

(3) All other applications under section 22 shall be made under rule 76 and the certificates granted shall be in Form C, Appendix B. The fact of such fresh certificate having been granted, shall be endorsed on the original qualifying certificate.

RULES FOR THE GUIDANCE OF THE REGISTRAR OF BIRTHS IN THE TOWN OF LA'RKHA'NA.

Sanitary Commissioner's Notn., dated 21st February 1899, B. G. G., 1899, Pt. I, p. 281.

The following Rules for the guidance of the Registrar of Births, framed by the Sanitary Commissioner, and sanctioned by His Excellency the Governor in Council, under the provision of Section 32 (*c*) of Act 1 of 1892 (The Bombay District Vaccination Act), are published for general information :—

The Registrar of Births in the Lárkhána Vaccination area shall keep a duplicate Register of Births in the form appended, marked "Vaccination Book I."

Instructions as to Keeping the Book.

The serial number is to run for the calendar year, but in the case of still-born children no serial number is to be entered. If the child has died at the date of reporting its birth, or before being vaccinated, the date of death is to be written across below columns 8, 9, 10, and an entry made referring to the number in the Death Register.

At the close of every month columns 6 and 7 to be totalled up, still-borns being counted separately, and a line to be drawn across and a fresh page commenced.

The Registrar shall, on registering a birth, give to the person reporting certificates in the forms of Schedules A, B, C and D of the Act, as required by the Act, filling in the full details in a certificate according to the form of Schedule D of the Act, and putting in the number corresponding with the serial number in the Birth Register, and explain the purport of the certificate.

The Registrar shall, on receipt of the necessary information from the Public Vaccinator, fill in the proper columns in his Birth Register—Vaccination Book I.

The Registrar shall submit on the first of every month to the Superintendent of Vaccination a list of unprotected infants over 12 months of age, *viz.*, those infants registered as born in the corresponding month of the previous year about whom no information has been received.

He shall also keep a register of postponed vaccinations according to the form of Schedule E as laid down in Section 20 of the Act.

The Public Vaccinator shall be at liberty to inspect these Registers at any reasonable time and take extracts from them.

Rules framed under Section 32 (c) of Act I of 1892.

The whole of the Lárkána Municipal area is constituted a Circle for the performance of vaccination.

The Inspector of Sanitation and Vaccination of the Shikárpur Zilla for the time being shall be Superintendent of Vaccination of the Lárkhána Circle.

The name of the Public Vaccinator, for the Lárkhána Circle is to be published in the *Bombay Government Gazette* and in the *Sind Official Gazette*. The Public Vaccinator shall have a certificate of qualification signed by the Sanitary Commissioner in the form marked F and G to these rules annexed, and the Deputy Sanitary Commissioner, Sind Registration District, is authorized to appoint a Deputy, for a Public Vaccinator, when necessary; provided the Deputy also holds a certificate of qualification as a Public Vaccinator signed by the Sanitary Commissioner.

The Public Vaccinator for the Lárkhána Circle shall reside within his Vaccination Circle and shall have his name, with the addition of "Public Vaccinator for the Vaccination Circle of Lárkhána," both in English and Vernacular, posted on a board outside his dwelling.

There shall be two Public Vaccine Stations: Station I at the Municipa Dispensary; Station II at the Municipal Night School.

At both these Stations the name of the Public Vaccinator, with his designation and the days and hours of his attendance, shall be conspicuously posted.

The days and hours of attendance of the Public Vaccinator shall be—

At No. I Station— on Mondays in each week, between the hours of 8 and 12 A. M. (Madras).

At No. II Station—on Wednesdays in each week, between the hours of 8 and 12 A. M. (Madras).

The Public Vaccinator shall keep a Vaccination Register in the following form (Vaccination Book II) and shall enter therein the names of all $\frac{\text{persons}}{\text{children}}$ primarily vaccinated by him and the result of the operation and the date of giving a certificate in the form of Schedules (B) or (C) of the Act as the case may be. No names to be entered in this Register unless a vaccination operation has been performed. The serial numbers are to be continued for the official year.

At the end of every month a line to be drawn across the page, and the columns 1, 7, 8, 10, 11 totalled up, and a copy of the Register for the month is to be sent to the Superintendent of Vaccination for transmission to the Deputy Sanitary Commissioner, Sind Registration District.

If the $\frac{\text{person}}{\text{child}}$ is unfit for vaccination, the Vaccinator shall sign and give a certificate in the form of Schedule A of the Act, explaining that the operation is postponed for two months. He shall send a copy of certificate A to the Registrar and keep a register (the same form as "postponed Vaccination Register") of such postponed vaccinations to compare with Schedule E kept by the Registrar.

If the $\frac{\text{person}}{\text{child}}$ has had small-pox, the Vaccinator shall sign and deliver a certificate in the form of Schedule B^2 hereto annexed, sending also a copy to the Registrar.

If a $\frac{\text{person}}{\text{child}}$ has been vaccinated three times unsuccessfully, the Vaccinator shall sign and deliver a certificate in the form of Schedule B of the Act, sending a copy to the Registrar, and enter the result in his Register, columns 11 and 12 (Vaccination Book II).

If the operation is successful, the Register is to be completed accordingly; and a certificate in the form of Schedule C of the Act signed and given to the parent or guardian and a copy sent to the Registrar.

On every certificate signed by the Vaccinator he must fill in the serial number of the case from his own register and also enter the Registrar's serial number from Schedule D, brought to him by the parent or guardian of the child.

The Vaccinator shall also keep a register of re-vaccinations performed by him in the Vaccination Circle. By re-vaccination is meant "the repeating of the operation after the lapse of some years on a subject previously successfully vaccinated." In the case of persons primarly operated upon on whom the operation may not be successful on the first or following weeks but is ultimately so, the case is to be entered in Vaccination Book II as "success" in the usual way.

The Public Vaccinator is not to enter houses for purposes of vaccination unless requested to do so.

If he is requested to vaccinate within the Vaccination Circle elsewhere than at a Public Vaccine Station he may charge a fee not exceeding Rs. 2, which is to be divided as below:—

Re.	1	0	0 to Municipality.
„	0	8	0 to Vaccinefer.
„	0	8	0 to Vaccinator.

Purdah-Nishin females, five years of age or over, will be vaccinated free in their own houses by a Public Vaccinator of the female sex who will from time to time visit the Circle under arrangements made by the Deputy Sanitary Commissioner, Sind Registration District.

A. W. F. STREET, Lieut.-Col., I. M. S.,
Acting Sanitary Commissioner.

RULES FOR THE GUIDANCE OF THE REGISTRAR OF BIRTHS IN THE TOWNS OF SUKKUR AND ROHRI.

Sanitary Commissioner, dated 12th September 1904, B. G. G., 1904, pt. I, p. 1264.

The following rules for the guidance of the Registrar of Births in the towns of Sukkur and Rohri, framed by the Sanitary Commissioner, and sanctioned by His Excellency the Governor in Council, under the provision of section 32 (*c*) of Act I of 1892 (The Bombay District Vaccination Act) are published for general information :—

The Registrars of Births (*i. e.*, Sukkur and Rohri) in the Sukkur-Rohri Vaccination area shall keep duplicate registers of births respectively in the form appended marked "Vaccination Book I."

Instructions as to keeping the Book.

1. The serial number is to run for the calender year, but in the case of still-born children, no serial number is to be entered. If the child has died at the date of reporting the birth or before being vaccinated, the date of death is to be written across, below columns 8, 9, 10, and an entry made referring to the number in the death register.

2. At the close of every month, columns 6 and 7 are to be totalled up, still-born children being counted separately ; a line to be drawn across the lower portion of this page and a fresh page commenced.

3. The Registrars shall, on registering a birth, give to the person reporting certificates in the forms of Schedules A, B, C and D of the Act as required by the Act, filling in the full details in a certificate according to the form of Schedule D of the Act and putting in the number corresponding with the serial number in the birth register, and explain the purport of the certificate.

4. The Registrars shall, on receipt of the necessary information from the Public Vaccinator, fill in the proper columns in their respective Birth Registers, Vaccination Book No. I.

5. The Registrars shall transmit, on the first of every month, to the Superintendent of Vaccination, a list of unprotected infants over 12 months of age, *viz.*, those infants registered as born in the corresponding month of the previous year, about whom no information has been received. They shall also keep a register of postponed vaccinations, in the form of Schedule E for their respective charges as laid down in section 20 of the Act, Vaccination Book III.

6. The Public Vaccinator shall be at liberty to inspect these registers at any reasonable time and take extracts from them.

Rules framed under section 32 of Act I of 1892.

1. The whole of the Sukkur and Rohri Municipal areas is constituted one vaccination area divided into two vaccination circles for the performance of Vaccination.

Section 5 (i).

2. The Inspector of Sanitation and Vaccination of the Sukkur district for the time being shall be Superintendent of Vaccination of the Sukkur-Rohri Vaccination area.

Section 8 (i).

3. The names of the Public Vaccinators for the Sukkur and Rohri Vaccination Circles are to be published in the *Bombay Government Gazette*, and in the *Sind Official Gazette*.

Section 7.

The Public Vaccinator will have a certificate of qualification signed by the Sanitary Commissioner in the forms marked F and G, annexed to these rules, and the Deputy Sanitary Commissioner, Sind Registration District, is authorised to appoint a Deputy for Public Vaccinators when necessary, provided the Deputy also holds the certificate of qualifications as a Public Vaccinator signed by the Sanitary Commissioner.

Section 32 (*a*.)

4. The public Vaccinators, for the Sukkur and Rohri Vaccination Circles, shall reside within their respective circles, and shall have their names with the addition of the words "Public Vaccinator for the Vaccination Circle of Sukkur or Rohri" (as the case may be), both in English and Vernacular, posted on a board outside their dwellings.

5. There shall be five Public Vaccine Stations as follows :—

Rohri Vaccination Circle.

1. Rohri Dispensary.

Sukkur Vaccination Circle.

2. Sukkur Dispensary.
3. Garibabad (Musafarkhána).
4. New Sukkur (Zenana Road).
5. Old Sukkur (Octroi Station).

6. At these stations the names of the Public Vaccinators with their designations and the days and hours of their attendance shall be conspicuously posted.

7. The days and hours of attendance of the Public Vaccinator shall be :—

1. Rohri Dispensary Vaccine Station : Mondays, Wednesdays and Fridays in each week between the hours 8 and 12 A.M. (Madras).
2. Sukkur Dispensary Vaccine Station : Tuesdays in each week between the hours 8 and 12 A.M. (Madras).
3. Garibabad (Musafarkhána) Vaccine Station : Wednesdays in each week between 8 and 12 A.M. (Madras).
4. New Sukkur (Zenana Road) Vaccine Station : Thursdays in each week between the hours 8 and 12 (Madras).
5. Old Sukkur (Octroi Station) : Saturdays in each week between the hours 8 and 12 A.M. (Madras).

8. The Public Vaccinators, Sukkur and Rohri Circles, shall keep a register in the following form (Vaccination Book II) for their respective circles

and shall enter therein the names of all $\frac{\text{persons}}{\text{children}}$ primarily vaccinated, the result of the operation, and the date of giving a certificate in the form of Schedule B or C, as the case may be. No names shall be or are to be entered in this register unless a vaccination operation has been performed. The serial numbers are to be continued for the official year.

9. At the end of every month a line is to be drawn across the page and the columns 1, 7, 8, 10, 11 totalled up and a copy of the register for the month is to be sent to the Superintendent of Vaccination, for transmission to the Deputy Sanitary Commissioner, Sind Registration District.

10. If a $\frac{\text{person}}{\text{child}}$ is unfit for vaccination, the Vaccinator shall sign and give a certificate in the form of Schedule A, explaining that the operation is postponed for two months. He shall also enter the name also in his Schedule book, send a copy to the Registrar, and keep a Register Vaccination Book IV of such postponed vaccinations to compare with Schedule E kept by the Registrars.

11. If a $\frac{\text{person}}{\text{child}}$ has had small-pox, the Vaccinator shall sign and deliver a certificate in the form of Schedule B (2) hereto annexed, sending also a copy to the Registrar concerned.

12. If a $\frac{\text{person}}{\text{child}}$ has been vaccinated three times unsuccessfully, the Vaccinator shall sign and deliver a certificate in the form of Schedule B, sending a copy to the Registrar concerned and enter the result in his register columns 11 and 12 (Book No. II).

13. If the operation is successful, the register is to be completed accordingly, and a certificate in the form of Schedule C signed and given to the parent or guardian, and a copy sent to the Registrar concerned.

14. On every certificate signed by a Public Vaccinator he must fill in the serial number of the case from his own register and also enter the Registrar's serial number from Schedule D, brought to him by the parent or guardian of the child.

15. The Public Vaccinators shall also keep a register of re-vaccinations (Vaccination Book V) performed by them in their respective vaccination circles. By re-vaccination is meant "the repeating of the operation, on a subject previously successfully vaccinated." In the case of persons primarily operated upon, on whom the operation may not be successful in the first instance but is ultimately so, the case is to be entered as an "excess" operation in Book No. II, column 12.

16. The Public Vaccinator is not to enter houses for the purposes of vaccination unless requested to do so.

17. If he is requested to vaccinate within the vaccination circle elsewhere than at a public vaccine station, he may charge a fee not exceeding Rs. 0-3-0 per each person thus vaccinated.

18. The fee thus collected is to be paid to the Vaccinator. If a vaccinifer be brought to the house, an additional fee of Rs. 0-3-0 to be paid to the parent or guardian of the vaccinifer.

19. Purdah-Nishin females, five years of age or over, will be vaccinated free in their own houses by a Female Public Vaccinator, who will from time to time visit the circles under the arrangements made by the Deputy Sanitary Commissioner, Sind Registration District.

20. In the case of persons objecting to vaccination, with calf lymph, Hindus shall be vaccinated from Hindus, and Mussalmans from Mussalmans, sweeper's children shall not be employed except for other sweepers.

21. Lymph shall not be extracted more than once from any child.
